

Trek Part

Trek Parts - TREK Cleaning Machines is a maker of cleaning equipment. Chris Knowlton, Bob O'Hara and Jim Hartsock, TREK's founders, have more than 60 years of experience successfully manufacturing, designing, developing, marketing and offering customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They truly believe in delivering true value to their clients and are devoted to offering top quality and new design concepts to be able to meet the diverse requirements of their customers.

In their product development; TREK Cleaning Machines continually provides fresh design concepts. They enjoy offering products which energize both their dealers and their partners and provide production gains to their clients.

The TREK team of workers likes new challenges and new tasks. They are really proud to launch its breakthrough technology found in their Torsion scrubber line. This particular line was motivated by the comprehension of operators' skills and requirements along with their knowledge of cleaning applications, together with owners' strong desire to considerably lessen expense through productivity gains.

When needed, the employees within TREK and its several dealer members in both technical support and parts would be accessible. Amongst their core values is their high service dedication in their customer service. Keeping their customers' cleaning machinery ready and functioning daily is top priority. The company's top of the line technology delivers reliable machinery which ultimately reduces your cleaning expense. The service, the product and the price all work together in order to make them the leader in the business.
